## MEMORIES

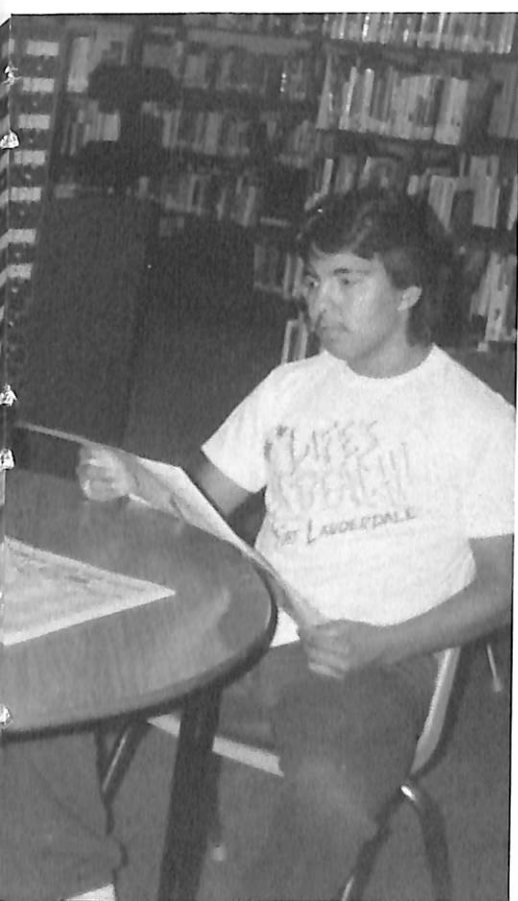

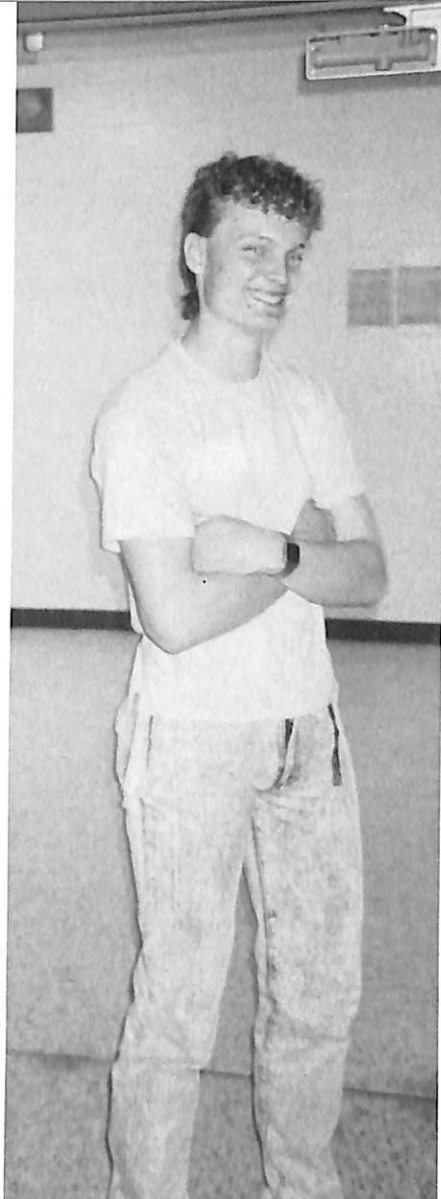

Time marches on. One year older, one year wiser. The school year 1987-88 may have appeared to you to be a strictly ordinary one, and for the most part it was. But for many of you, there will be some special event or happening that will remind each of us of the 1987-88 year. For some, it may be the marks they got on their exams or perhaps the number of points they scored at a volleyball game. Whatever it is, that certain event will pop into your mind as you leaf through these pages.

# FOREVER YOUNG

To all of the members of the Grade 13 Class of '88, whose example has taught me so much, whose vitality has inspired me, and whose friendship I shall treasure forever.

At our high school term's fulfillment  
At the end of five long years,  
We go forth to seek tomorrows,  
Smiling faces hide our tears.

We reminisce and think  
Of all the fun and friendships past,  
How the time, like tiny grains of sand,  
Has trickled all too fast.

Now we stand, uncertain, anxious,  
On the threshold of our lives,  
With our time here as the soil  
In which the bloom of fortune thrives.

But it could not last forever;  
Every good thing always ends.  
But the thing it hurts to leave the most  
Are you I call my friends.

We have wandered on the pathway  
Where the lamp of learning shone,  
As our teachers, friends and parents,  
Never doubting, urged us on.

We have climbed to heights of glory  
Where North Lambton's greatest stand.  
If we fell along the journey,  
Willing help was close at hand.

But it seems, as now it's ending,  
Like the seeds of dying flowers,  
We have come to see in others  
The potential that is ours.

May we smile in sweet remembrance  
Of the memories daily made,  
Ties that distance cannot sever,  
Friendships time can never fade.

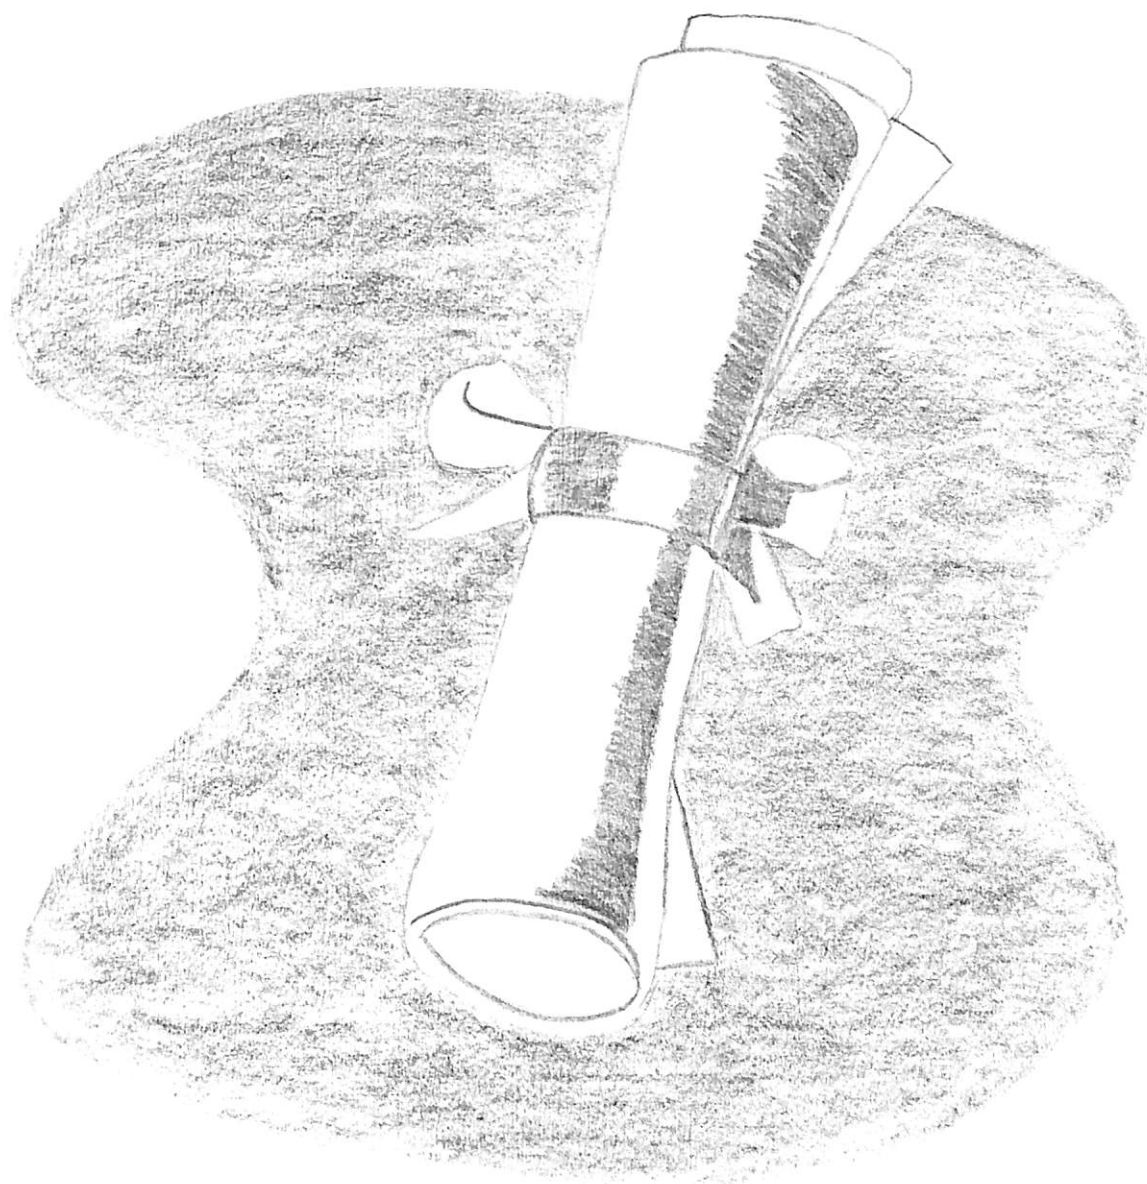

In the tide of classes come and gone,  
No doubt, we were the crest;  
We were swifter, higher, stronger,  
Gold awaits the very best.

Wherever Fate may lead us,  
To positions high or great,  
No honour can surpass  
"North Lambton Class of '88".

May the coming years be fruitful,  
May the blessings fall like rain  
And the Lord God keep you safe until  
Our paths shall cross again.

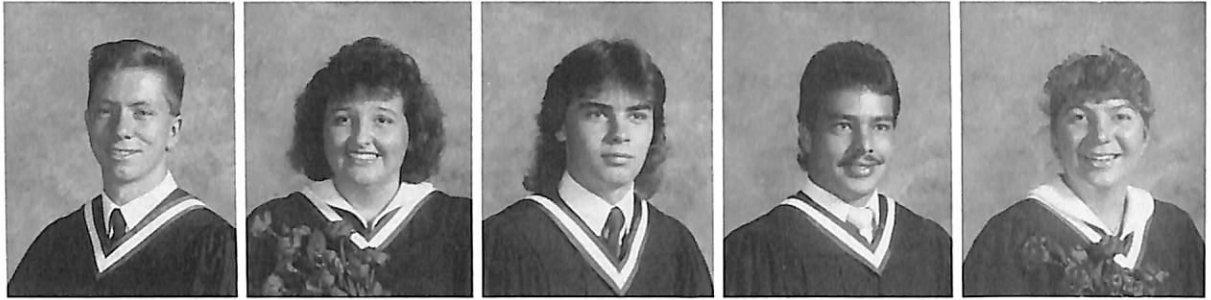

Ave Atque Vale.  
Thank you all, and God bless  
Murray Watson

# SNOW WHITE

On December 24, 1987, Snow White and the Seven Dwarfs was performed in our cafeteria by our Drama Club. They did two performances that day, one in the afternoon for the surrounding public schools, and one at night for the general public. They also performed at Warwick Public School and for the employees of Novacor. Mr. White was the director of this successful play.

# EXCHANGE STUDENT

HOLA!

For those who don't know me, I am the exchange student from Argentina, Jorge (pronounced Hor-hay) or popularly known as J.D.

. . . Wow! I just can't complain. I've had a wonderful time up here, made a lot of friends and had lots of fun.

Many of my Canadian pals believe I haven't enjoyed Canada, but they can't imagine how much I have.

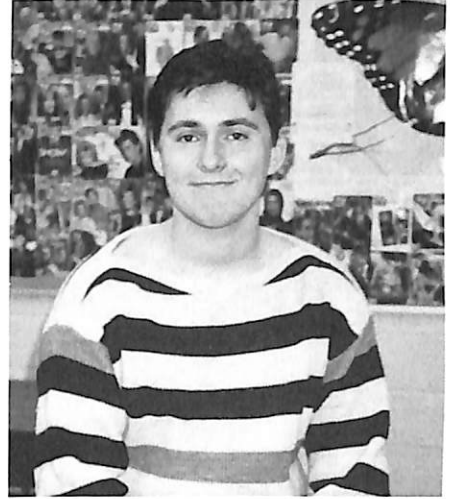

I learned many things here. More than learning how to speak English, or seeing several nice places. I have learned how to be a thoughtful person, how to be more Argentine than I've ever been. Some of you probably don't understand this just because you haven't lived what I have, but let me tell you something, it's a wonderful feeling.

Despite homesickness, this is a place hard to forget, I really liked it here and I think I will come back sometime.

Thank you all for being so great.

Hosta la vista!

Jorge

On a very cold day in April, the Senior Band set up a dunk tank to raise money for their trip to Montreal. Several band members volunteered to be dunked by their friends and classmates. Even Mrs Oppen (top left), band conductor, volunteered. On this same day Dave Rops and Jason VanRooyen saw their chance to get even with Mrs. Smith (top right). They carried the kicking, screaming, and pleading Mrs. Smith to the dunk tank, but never actually got her into the water.

The Intermediate Band also did some extra fundraising for their trip to Toronto. One Saturday they set up a car wash in Sarnia (centre) and did some heavy duty washing. Although some band members, including band conductor, Mr. White, had to give up their Saturday, it all paid off in the end.

# PRINCIPAL'S MESSAGE

Once again, you, the students of North Lambton Secondary School have seen fit to publish a Yearbook. Those of you who were involved in last year's publication will agree, I am sure, that it is quite an undertaking. I am sure that you will also agree that when you hold this new book in your hands, you will do so with a real sense of pride and accomplishment.

Those of us who had no direct part in play in the publication of the Yearbook, and I hope I speak on behalf of that group, wish to congratulate the Yearbook staff and to thank them for the effort that they put into producing this fine book.

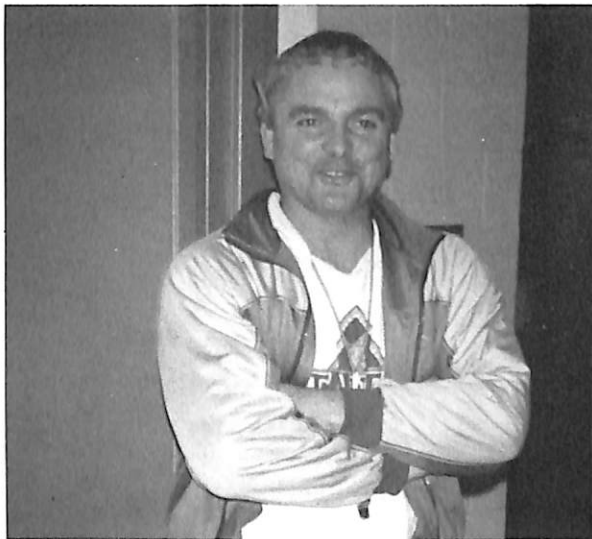

I think we can all agree that we are living in a rapidly changing world. I would like to suggest that there is at least one thing that is not changing with the times. That one thing is man's respect for a fellow who has shown himself to be a responsible human being. I would like to suggest too that we are fortunate at North Lambton to have a good number of this type of young persons here. This type of responsible student leadership has been very evident during my two years here, and I commend you for it.

May this book provide many moments of enjoyment in the future days of your life.

# THANKS

On behalf of the student body, the Yearbook Club would like to take this opportunity to say thank you to the many people who help to keep this school running. First, there are the helpful and friendly custodians, who work hard to keep our school clean, and who are always there when we need them. Then there are the bus drivers who always somehow manage to transport us to and from school. As well there is the cafeteria staff who keep the student body going with much needed nutrition. Lastly, we would like to thank the secretaries, who always try to keep us in line. We would also like to thank three special ladies who have done a great deal for the school. Thanks to Miss MacGregor, Mrs. Windley, and Mrs. Wolfe.

## The Power of Physics

This group of graduating students, pictured right, represented NLSS in a "Physics Olympics." Congratulations to all of you on a job well done!

## OUR TOUCH OF OLYMPICS '88

On the frosty morning of January 2, 1988, two students from NLSS contributed to the Winter Olympics. Tracy Fell and Dana MacKinlay were torch-bearers, and each ran a distance of one kilometre. Congratulations to both of you!

## PRESIDENT'S MESSAGE

In the years to come many changes will bechance NLSS; most of which, I hope, will be of benefit to the school and it's population. But one thing that is sure not to change is the memories which all of us have of this school. There is no doubt that this yearbook will help rekindle some of these memories and bestill more in us.

At this time I would personally like to thank the administration and staff advisors for making my year as SAC president a successful one. Without them the school activities would not function as well as they have.

Also to all the staff and students who will be moving on next year, I wish you the best of luck in all your endeavors. For those that are returning; make the most of your years that you spend here at NLSS, by living everyday as if it were the last. Hey . . . I do!

Respectfully Yours,  
Mike Rombouts

## CLASS OF '88 EXECUTIVE

Bottom L to R: Jason VanRooyen (vice-president), Dave Rops (president). Top: Joyce Buurma (treasurer), Mrs. Smith, Carla Schoonjans (secretary).

This year's graduating class hosted many events. Among the most spectacular was the prom, with the theme of "Oriental Gardens." The Airband, Spring Fashion Show, and Morp (better known as the backwards prom) served as money raisers toward the cost of the prom. At the start of the year, the class hosted last year's graduating class' commencement. This was their first major event of the season.

Weekly meetings were held to help bring together plans and organizing committees. And as part of community awareness, they made weekly collections to donate to local needy causes such as: The Big Brothers Association in Sarnia, and Unwed Mothers in Watford.

The Dating Game was held in early spring at noon in the cafeteria for everyone to see. Two lucky contestants received an all expense paid date. This was done to raise the level of school spirit in 1988.

## EDITOR'S MESSAGE

Although classes are over for another year and everyone is supposedly a year wiser, no one will be able to forget the fun and thrills of the past ten months, nor the troubles and problems.

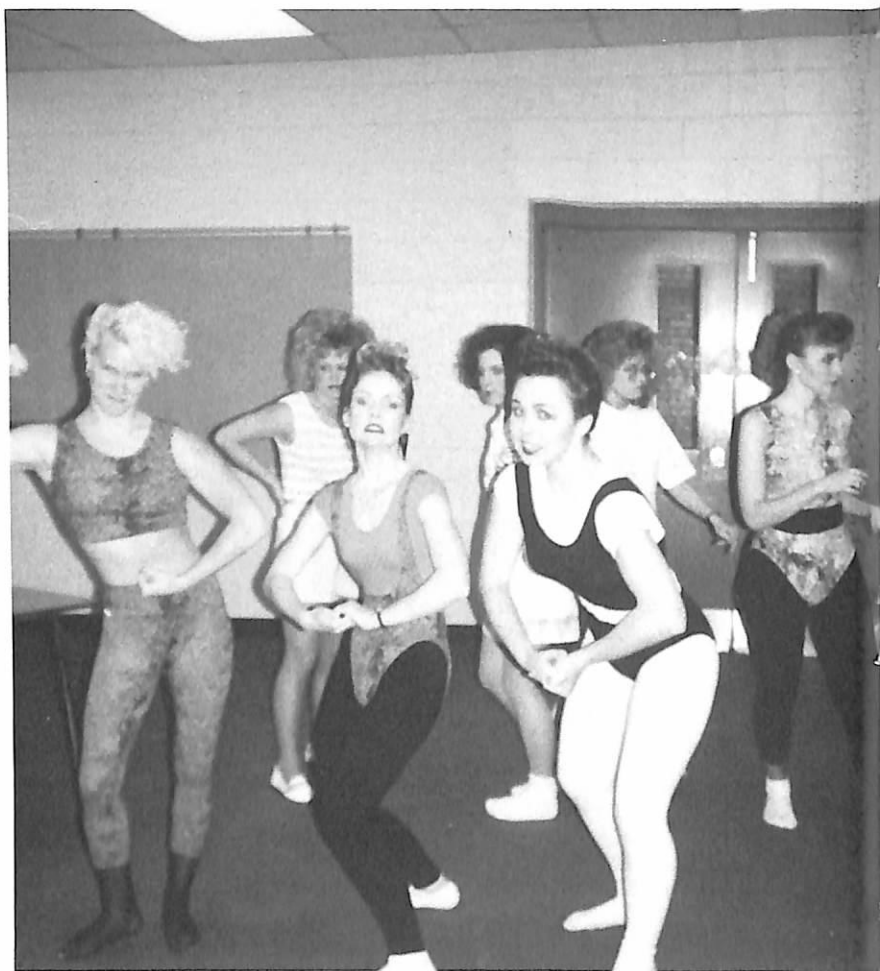

Here we present a valuable record of school activities and news throughout the year. It is a book to keep, for with it will be recalled many pleasant memories in the years to come.

We extend our warmest thanks to the members of the Yearbook Club, Mr. Jensen for his helping hand, and everyone else who helped to publish the yearbook.

During the last week of exams Mr. McCaw and Mrs. Windley discarded books that were no longer used and no longer accurate. In order to make sure that these books were not returned to the library, Mrs. Windley stamped each one with "NO LONGER THE PROPERTY OF N.L.S.S." After their exams were over, Mike Brown and Mike Rombouts (right) got a hold of this stamp and, since they were graduating, they stamped each others forehead with Mrs. Windley's stamp.

During the last week of exams many teachers behave differently than when students are at school. Some examples of this behavior are: the librarian, Mr. McCaw, drinking in the library (far right) and Mr. Sturdy wearing shorts (above).

# MOGA MADNESS

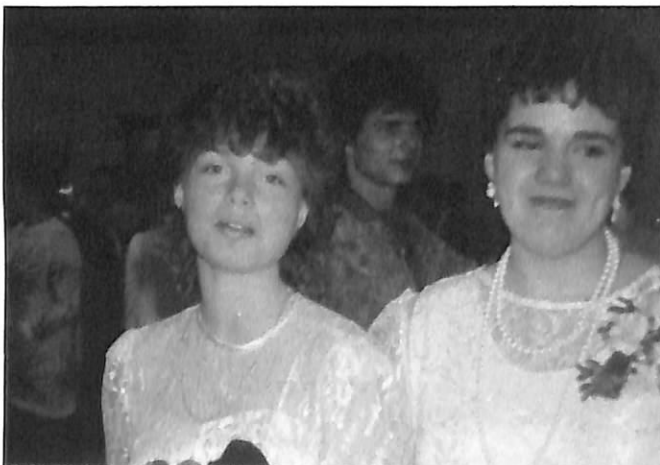

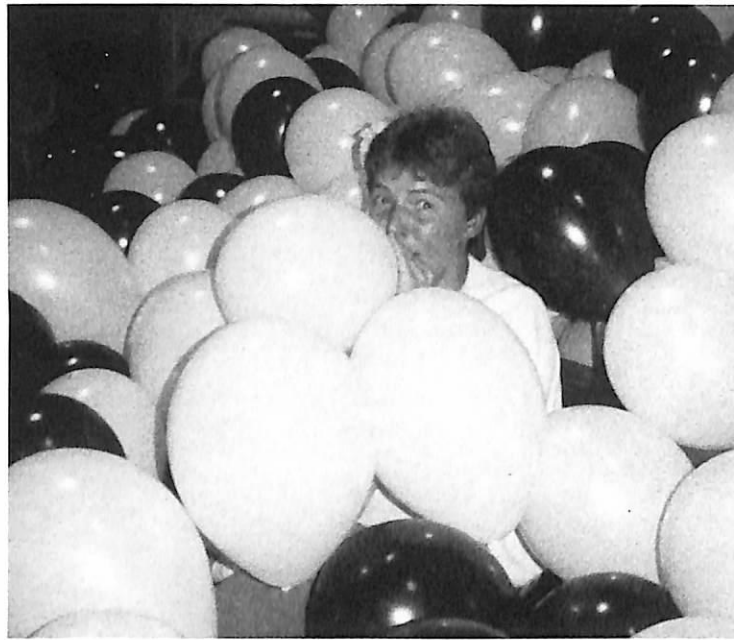

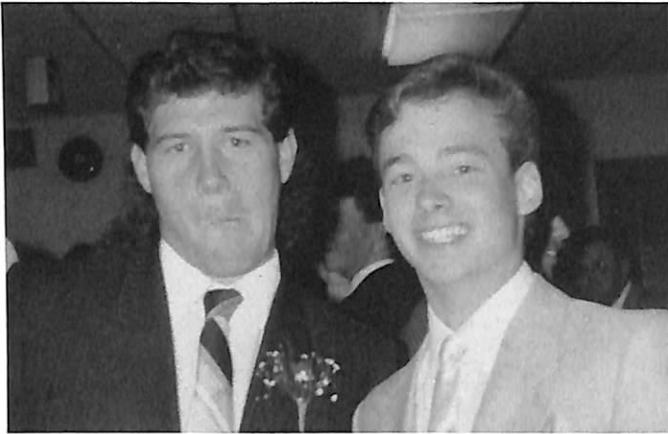

MOGA, which is the acronym for Most Outrageous Group Activity was part of "Participation Week" during the last week of May. Students filed out of school during second period and for twenty minutes played "Simon Says." It helped to get more school spirit into the student body, and a fun time was had by many.

## GRADE 9 TRACK AND FIELD

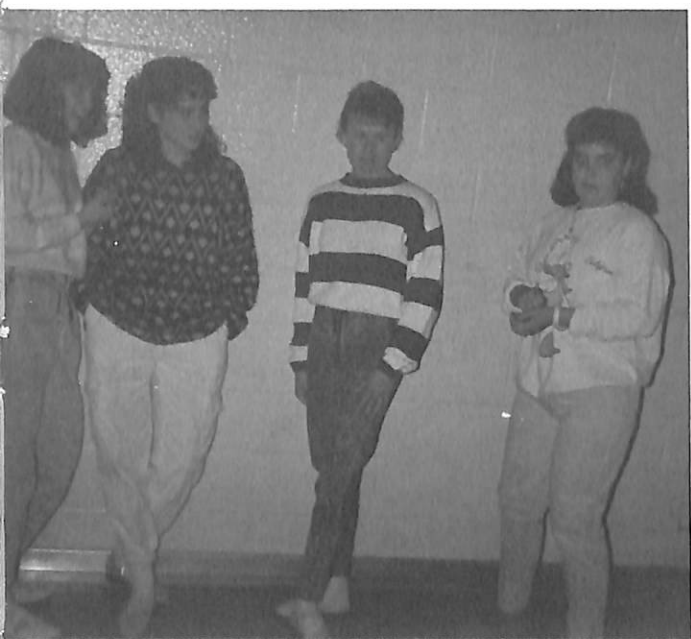

## LSSAA

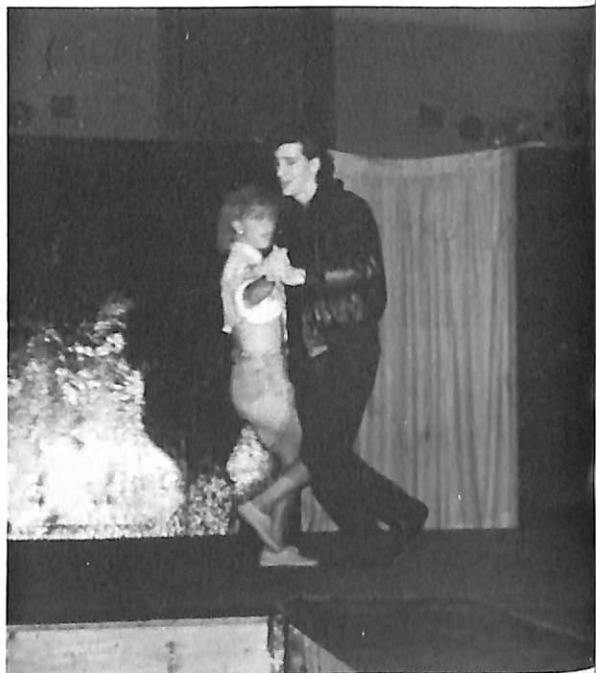

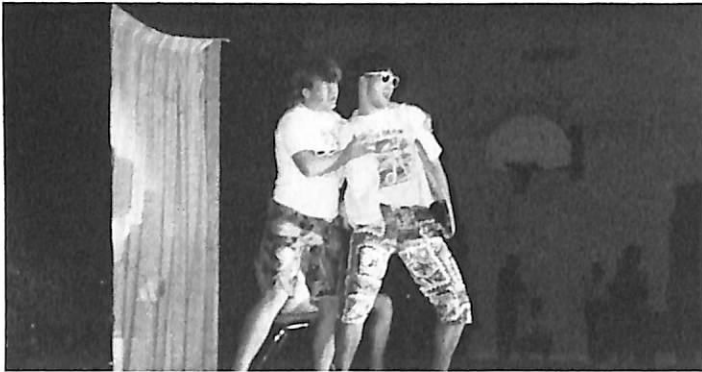

1987 marked the second annual LSSAA cross country championships hosted by NLSS. Thanks to organizer and coach Mr. Newman, our meet was a success.

Angela Humphrey won the senior girls division and eight of our athletes advanced to the Western Ontario Championships. At WOOSA, in Aylmer, Angela placed fifth out of seventy-nine other senior girls. As a result, she was an alternate for OFSAA. Congratulations to all who competed.

## AIRBAND 1987

On November 25, 1987, the third annual Airband Competition, organized by the class of '88, was held in our gym. Judging the eighteen bands were Sherri Flick and A.J. Renee, of CKJD Radio in Sarnia. A big thanks goes to: the judges, our MC, Doug Prong (opposite page, middle right), and all the staff and students who helped make this year's competition a success.

All of the bands were great, but there were four that stood out and had the certain winning qualities, in the judge's opinion.

First prize went to Dane Richardson (above), who did an outstanding medley of some of Elvis Presley's greatest songs.

Second prize went to the darling Jeff Boris (left), who did a comical version of Madonna's "Like a Virgin". It was entertaining Jeff!

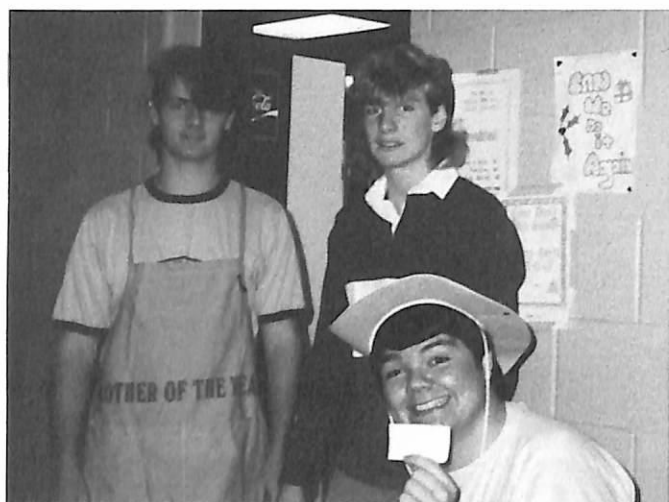

Third prize went to Jacquie Paisley and Paul Murray (opposite page, lower left), who did some romantic but Dirty Dancing for us. They performed "Love is Strange" from the motion picture sound track Dirty Dancing.

Fourth prize was awarded to some of the members of Class of '88 (upper right) who got down in the sand and performed "Summer Nights" from the movie Grease. It starred Cheryl Minielly as Olivia Newton-John and Brett Kernohan as John Travolta.

The teachers even got in on the action, doing their version of Michael Jackson's "Bad", with Mr. Burke as Michael Jackson.

# THE SWEET ART OF REVENGE

Up until this year, fundraising at NLSS has consisted of selling the same products time after time. The Intermediate Band changed all that. The members of the band put their heads together and came up with two creative ideas.

The first was a series of "Band Breakfasts" held in the cafeteria just before first period. On the menu were three choices -- bacon and eggs, pancakes, or a combination of both entitled "The Jon Craig Special".

The second was the "Pie-in-the-Face" contest in which students were given the opportunity to auction for a pie to throw in the face of their "favourite" teacher.

## AS EVENING HOURS PASS

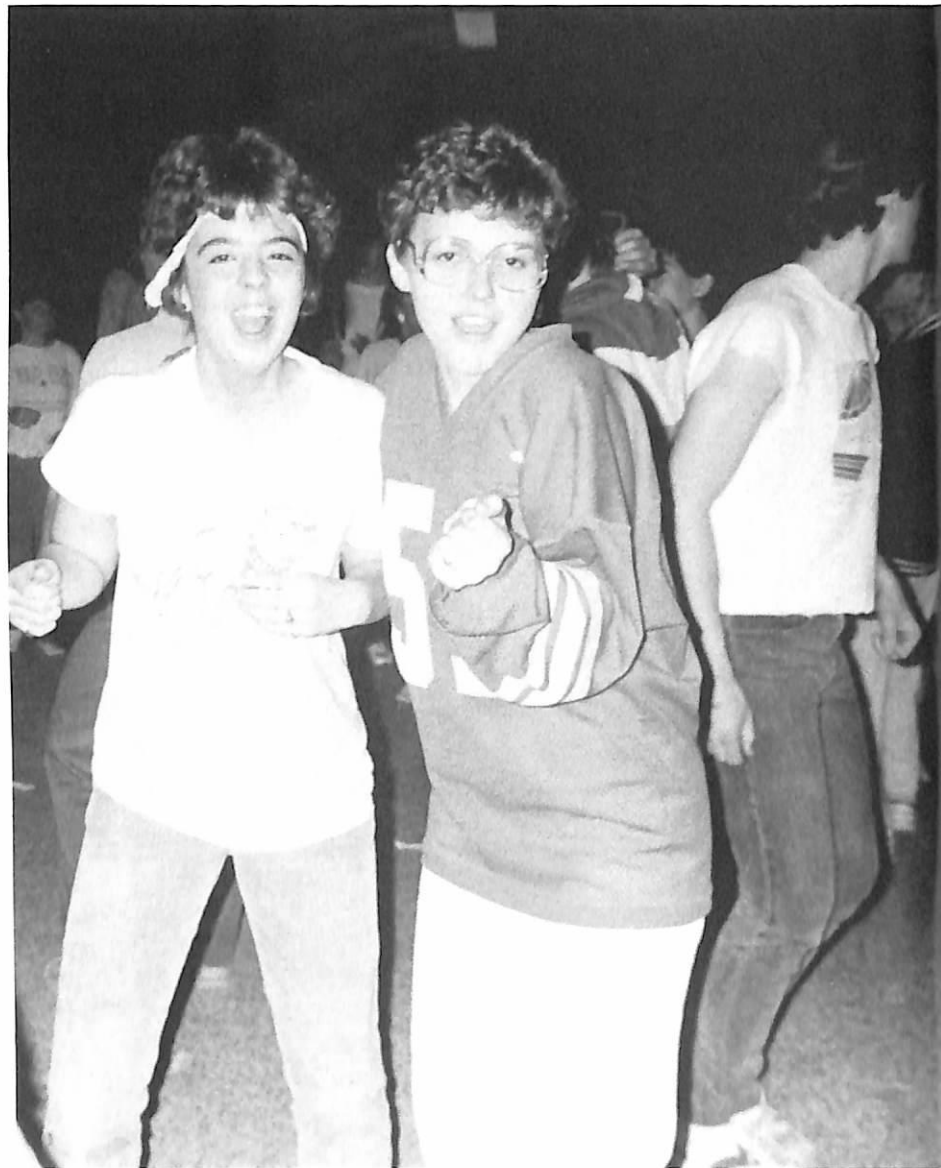

The first major social event of the school year was the Masquerade Ball at Halloween. SAC encouraged students to dig to the depths of their closets to reveal their most outrageous costumes.

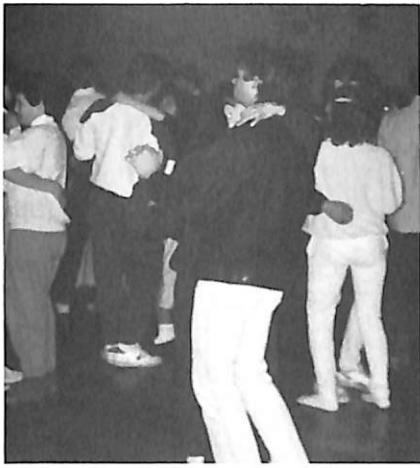

The arrival of the holiday season and the Christmas semi-formal caused students to return to their search for the "perfect outfit." The cafeteria was appropriately decorated with a large Christmas tree, placed in the centre of the room. Santa Claus even made a special trip from the North Pole just to rock around the Christmas tree at North Lambton.

The Valentines dance was next in line and was unfortunately delayed one week due to a snowstorm.

Class of '88 sponsored by the school's first-ever "Morp." That is to say, a reverse prom. Students attended in rags and rollers instead of tails and ties. Music was provided by our very own Doug Prong. Proceeds from this dance went towards the annual prom.

Top Right: Terry Edwards, Terri Price and Pam Watson demonstrate their "awesome" surfing techniques. Far Right Middle: Whose legs might these be? Bottom Centre: Three "high society" ladies spend an evening on the town.

# OUR WINTER OLYMPICS

### The Winter Olympics

On the afternoon of Monday March 21, the opening ceremonies and a noon dance was held in the gymnasium of NLSS. This marked the kick off to our winter olympics.

School spirit filled the halls during the five days series of events. With the efforts of S.A.D.D. and the games organizers Mr. Gilfoyle, Debbie Emery, Bev Rider, Liz Ward, Tami Wall, and Eric Bastiaasen.

Each team consisted of ten members and the entry fee was a mere \$5.00. With the proceeds going towards advertising for a safe prom.

The participating teams were from many neighbouring countries such as Australia, Canada, Greenland, Malmac, Cambodia, Holland, Burma, Bolivia, and The Zoo Crew.

Tuesday found most of the school back in the gym as spectators or competitors for the first event on the Olympic Calander, the tug of war. Which was won by a strong Malmac team effort. Wednesday's main feature was the eleven legged race, where some of it's competitors could be found running ankles tied, through a muddy and snow covered soccer field. This was the event of the week, with Swaziland winning.

Thursday's lunch hour was occupied with our own rendition of Win Lose or Draw. This proved Burma to be the real celebrities.

Friday came quickly with the closing of the games and the final event was the jello eating contest. This event found Holland to be the winner by a swallow.

The overall medalists were Swaziland in first, Malmac and Australia in a tie for second and Burma with the bronze.

But everyone proved to be winners.

# SENIOR BAND TRIP TO MONTREAL

The Virgin Caesars

The Cuna's

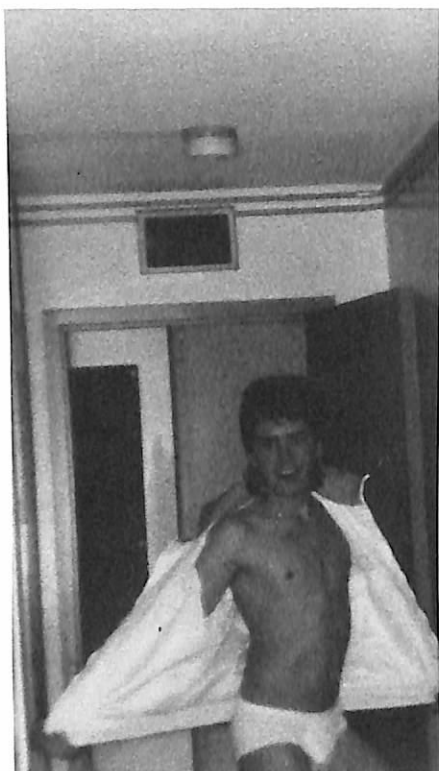

"Hello, this is 'god' speaking."

The Stand Dilemma

It was a cool and sunny morning when our Senior Concert Band headed for Montreal. This day, May 5, 1988, was one that would start an exciting and tiresome four day adventure for thirty-one of the thirty-nine band members. They travelled by bus, with three chaperones: Mrs. Beastall, Mr. Furtney and band conductor Mrs. Opper. They represented our school at three performances and were well liked by most of the audiences. Among other things, they were able to go on a one hour cruise of the St. Lawrence River, which was enjoyed by all. They also had a choice of going to an Expo game or a ballet. On the final night, Mrs. Opper's brother, Alexander vonGernet, who lives in Montreal, took them on a walking tour of Mount Royal. The band would like to thank Mrs. Beastall, Mr. Furtney and especially Mrs. Opper for organizing this unforgettable trip and always being supportive and cheery, no matter how much sleep she got. There is one more thing I'd like to add . . . Do fish fart???

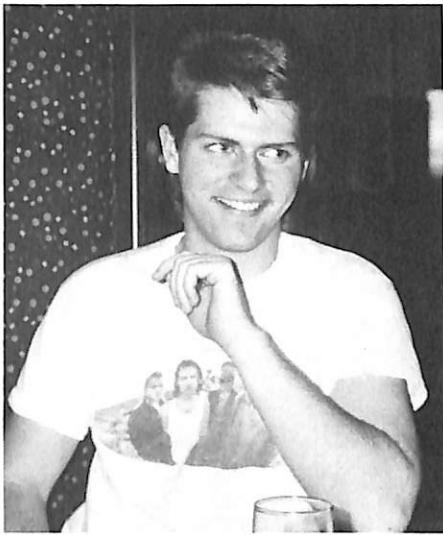

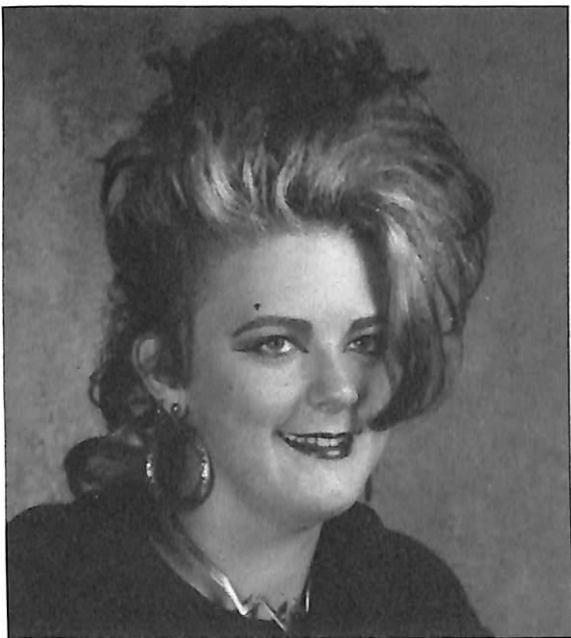

# A TORONTO TALE

The adventure began at 7:15am on Friday, May the thirteenth. The intermediate band boarded the train in Sarnia and arrived in Toronto three hours later.

In the pouring rain, carrying heavy suitcases, the band trudged around downtown Toronto in hopes of locating the Neill-Wysick College Hotel. They did eventually find it, and after assigning rooms, the band set out for the Art Gallery of Ontario. The rest of the day was spent at George's Spaghetti House and a quick visit to the C.N. Tower.

Saturday included a Tour of the Universe at the C.N. Tower, a symphony at Roy Thompson Hall and dinner at the Organ Grinder. Sunday morning, the more ambitious members of the band went to church while the rest packed to go home. The weary travellers arrived back in Sarnia at approximately 4:30pm.

# ORIENTAL GARDENS

Brilliant colour abounded. Brightly coloured streamers trailed from the ceiling. The water sparkled as couples cross the bridge and entered an enchanting garden, carefully prepared for the annual spring prom.

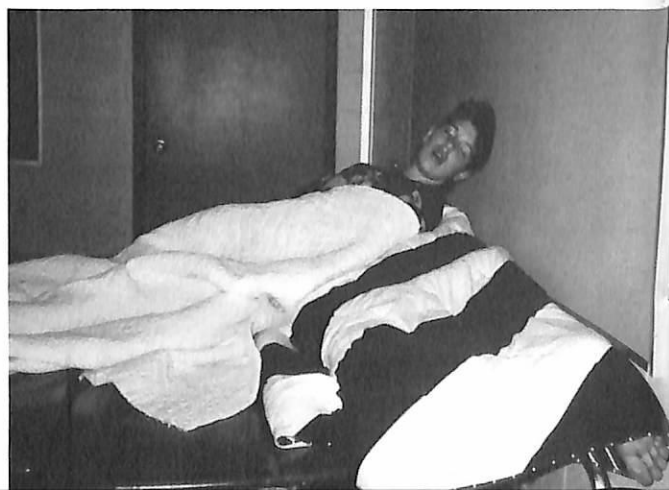

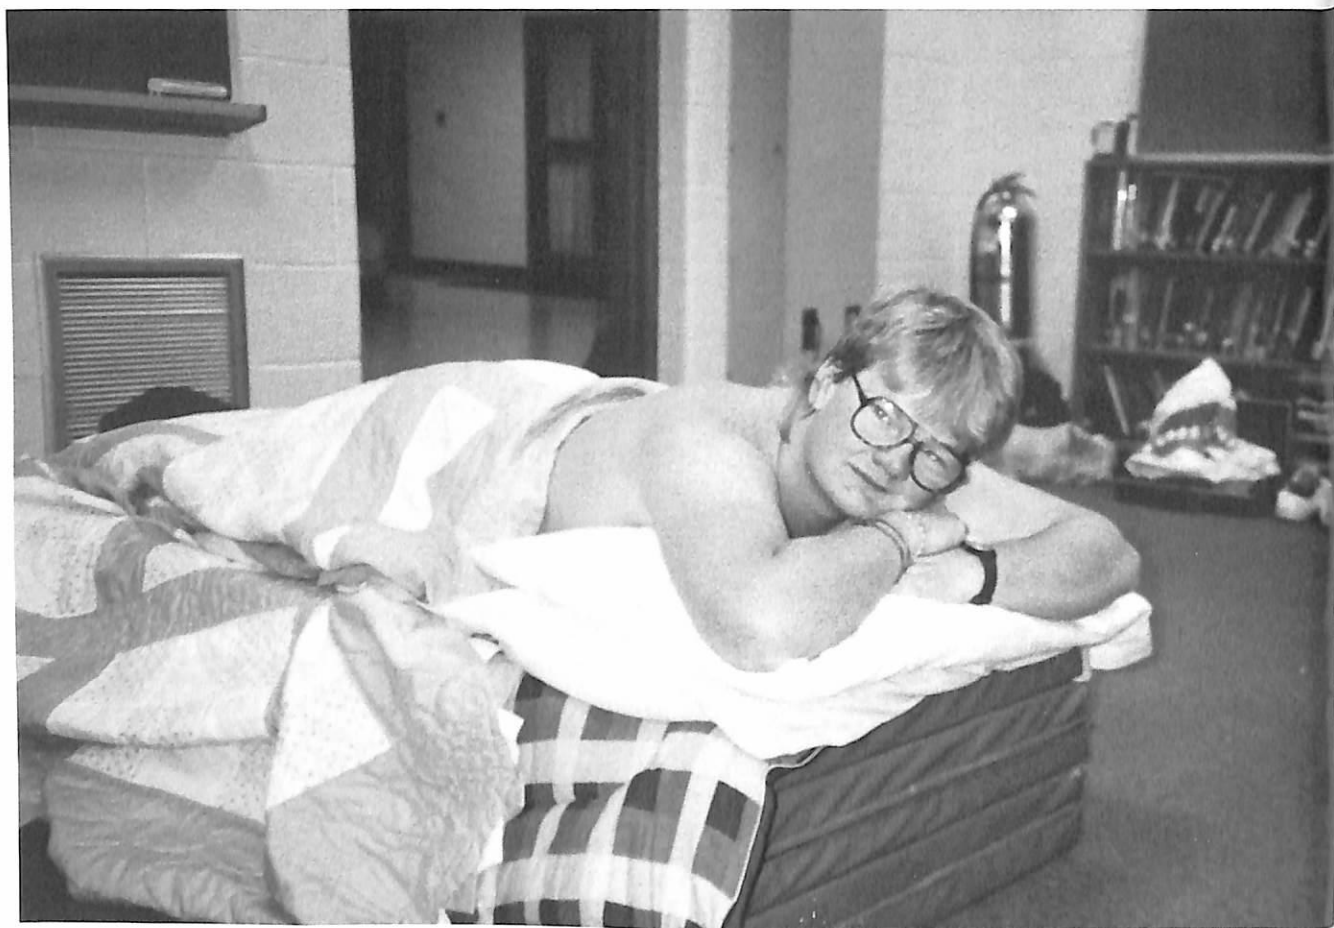

The prom committee, headed by Tracy Soldan, spent a great deal of time and effort in making this evening a success. May 28, 1988 is one night many will not soon forget.

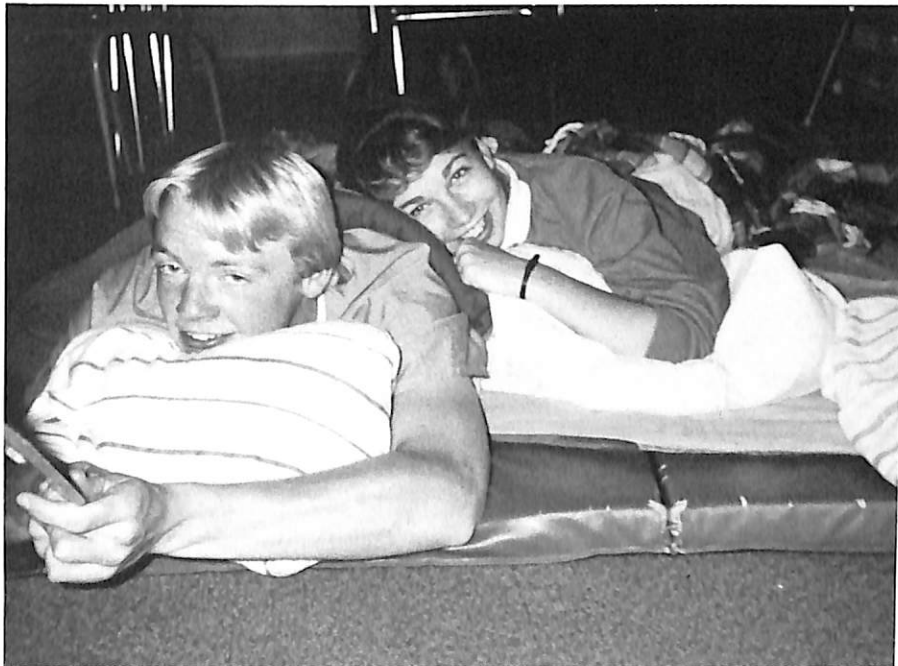

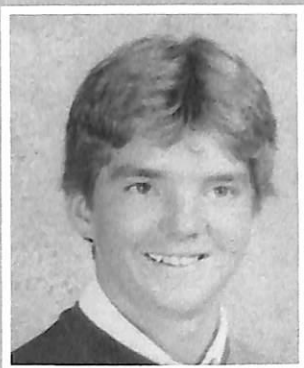

A  
WEEKEND  
RETREAT

One wacky weekend in June, a few executive members of each of the organizations at NLSS decided to get together to plan the school calendar for the 1988-89 school year. The result was a collection of sleeping bags, pillow cases, pop bottles, people piled in the math pod and a very busy schedule for the students of NLSS in 1988-89.

Dave Vanderheyden

## REQUIEM

Dedicated to David Vanderheyden and Michael Bressette,  
two NLSS students killed in automobile accidents  
during the summer of 1987.

A sudden coolness filled the air, the summer sun grew dark,  
A tragic cloud obscured the azure sky;  
Two teenage voices stilled in death; the silence stunned us all.  
The months have passed, and still we wonder "Why?"

We will never know the answers; death eludes our feeble grasp,  
Its mystery no human mind can plumb,  
But the end seemed so much crueler in the blossom of their youth,  
With years of life and promise yet to come.

September came, we gathered and the awful news received,  
A silver teardrop gleamed in every eye.  
The school, in silent sadness, mourned the loss of two young men;  
We never had the chance to say "good-bye".

But we cannot grieve forever; let us celebrate their lives,  
Where they left off, we now must bear the flame.  
Think of happy days together, treasure memories of the past,  
We remember when we fondly speak their name.

Now they dwell in peace and beauty, free from sorrow, free from pain,  
In a place to which our mortal eyes are blind.  
But they live in hearts that knew them, neighbours, family and friends,  
Still loved and missed by those they left behind.

They remain forever with us, in our thoughts and in our prayers,  
But the emptiness they left will never mend.  
We entrust them to the keeping of a loving God above  
Till the day of our reunion at the end.

Mike Bressette
